

Every Nation Ministries

October 15, 2009

Dear friend,

"... Dwell in the land and cultivate faithfulness."
- Psalms 37:3

Each week we are faithfully reaching out to UNCW and building a new campus ministry. Right now we are just a small group of about five students. We are thankful that God has placed them in our path! Two of these students spend an entire day with us being trained and disciplined in the faith.

Below is a picture I took with some of the students along with some of our staff. This week we are hosting a guest speaker, Gregg Tipton. He is an evangelist and works at our ministry headquarters in TN as our Short-Term Missions Director. Please keep this week's outreach in prayer as he comes to share the Gospel.

Thank you for making this ministry outreach possible! Your prayers and financial gifts are greatly appreciated. My prayer is that God will continue to bless you as you have been a blessing.

Reaching the nations,
